

# Homework Policy

December 2018

## **Newton Hill Community School**

### **Aims**

Through this policy we aim to:

- Ensure that parents are clear about what their child is expected to do.
- Ensure consistency of approach throughout the school.
- To use homework as a tool to help continue to raise standards of attainment.
- Improve the quality of the learning experience offered to children and to extend it beyond the classroom environment.
- Provide opportunities for parents, children and the school to work together in partnership in relation to children's learning.
- Encourage children and their parents to share and enjoy learning experiences.
- Reinforce work covered in class by providing further opportunities for individual learning.
- To practise or consolidate basic skills and knowledge, especially in Maths and English.
- Encourage children to develop the responsibility, confidence and self-discipline needed to study independently.
- To prepare Year 6 pupils for the transfer to secondary school.

### **The Nature of Homework**

It should be noted that homework can be set in many different forms. It is important to remember that when expecting and setting homework there are a number of points to consider:

1. The nature and type of homework changes throughout a pupil's school career.
2. Amount and frequency of homework should increase as a pupil gets older but this may also vary through the school year and be appropriate to the ability of the child.
3. Homework should not cause undue stress on the pupil, family or the teacher.
4. It will not necessarily come in the form of a written task.
5. Homework should be set regularly from EYFS to Year 6.

### **Recommended Time Allocation**

Learning overviews are provided each term which are also uploaded to the parent hub. These are also available on the school website. Learning overviews provide information for parents about learning that will take place throughout the term for all subjects. Homework activities are sent home each week.

Homework should never be too onerous nor should it ever create stress within the child's family. If parents have any concerns, they should not hesitate to contact the school.

We recommend the following time allocations:

- EYFS 5-10 minutes every day for reading and maths activities.

- Years 1 and 2: 10 minutes every day for reading and maths activities.
- Years 3 and 4: 10-15 minutes every day for reading, maths and spelling activities.
- Years 5 and 6: 20 minutes every day for reading, maths and spelling activities.

### **Homework Tasks**

Listed below are a number of example tasks and activities that may be given as homework. This is by no means an exhaustive list and is open to constant change, although many of these tasks and activities will be used on a regular basis.

Homework activities will change to meet the needs of the pupils involved and activities that might be occurring in class. All homework tasks and activities will have a clear purpose and assist pupils in the process of their academic development.

### **Foundation Stage**

These may include: reading books and key words, phonic activities, counting, reciting nursery and counting rhymes, identification of shapes in the environment, fastening and unfastening buttons and zips and tying shoelaces – getting dressed and undressed etc.

### **KS1: Year 1 and Year 2**

These may include: reading books and key words, learning spellings, learning number facts, real life maths problems and topic tasks

### **KS2: Year 3 and Year 4**

These may include: reading, spellings, times tables, Maths and English tasks and topic tasks

### **KS2: Year 5 and Year 6**

They may include: reading, learning spellings, reading comprehension activities, researching topics and maths activities.

### **Role of the Class Teacher**

- To provide an explanation of homework tasks to children and, when necessary, parents and give guidance of how they might assist their child.
- To set up regular homework in an easily followed routine.
- To ensure that homework is set consistently across classes in the Year group.
- To ensure any homework is purposeful and links directly to the curriculum being taught.
- To reward and praise children who regularly complete homework tasks.
- To mark homework appropriately, when necessary and give feedback to pupils.

### **Role of the Head teacher and Governing Body**

- To check compliance of the Policy.

- To meet and talk with parents when appropriate.
- To discuss with staff how far the policy is being successfully implemented.

### **Role of Parents/Carers**

- To support the school by ensuring that their child attempts the homework.
- To provide a suitable place for their child to carry out their homework.
- To encourage and praise their child when they have completed their homework.
- To become actively involved and support their child with homework activities.
- To make it clear that they value homework and they support the school by explaining how it can help learning.

We are very keen for parents to support and help their children with homework. We take the view that children are likely to get more out of an activity if parents get involved as long as they do not take over too much. However, there are times when we will want to see what children can do on their own. It is particularly important, as they get older, for children to become increasingly independent in their learning. If a parent is unsure about what their role should be, they should discuss it with their child's teacher.

### **General**

- Staff will mark/acknowledge any homework returned on time by pupils. This will help to give the whole process of setting and completing homework a higher profile and status. It will also send out the message that homework is an important and valued aspect of school life. Marking homework is a way of keeping track of who has completed their homework, and giving them feedback on how well they have met the objectives of the work. However, marking may be done in a variety of forms, some of which will not be written. Feedback may be given to individual pupils, or to groups of pupils.
- If children are absent due to illness we will not send homework home. We would assume the child was too ill to work.
- If a child is absent for a length of time e.g. with a broken leg, the teacher and the parent will agree what should be done, how it should be marked and what sort of help needs to be given. In such circumstances, the teacher should consult the Headteacher first.
- It is not possible to give homework when parents take holidays in term time.
- Parents/Carers who have queries about homework should not hesitate to make an appointment to see their child's class teacher.
